EDUCATION

Bharati Vidyapeeth College of Engineering <i>Bachelor of Technology, Information Technology — CGPA: 8.060</i>	New Delhi 2024 – 2028
Kendriya Vidyalaya Hanumangarh <i>Senior Secondary, CBSE (Class XII) — Percentage: 90%</i>	Hanumangarh 2021 – 2023
Guru Harkrishan Sr. Sec. Public School <i>Secondary School, CBSE (Class X) — Percentage: 86.8%</i>	Hanumangarh 2019 – 2021

TECHNICAL SKILLS

Languages: C, C++, Java, SQL, Python, HTML, CSS, JavaScript
Technologies / Frameworks: Tailwind CSS
Databases: MySQL
Tools: GitHub, VS Code, Canva, Power BI
Other Skills: OOP, DBMS, Web Development, AI, ML

PROJECTS

Waste Management | *HTML, Tailwind CSS* | 🔗 Link

- Conducted research and analysis on effective waste segregation, recycling, and disposal methods.
- Developed a sustainable waste management plan to reduce environmental impact and promote recycling.
- Collaborated with team members to design awareness campaigns on proper waste handling.
- Implemented data collection and monitoring systems to track waste generation and disposal efficiency.
- Proposed innovative solutions for minimizing plastic and food waste within the community/institution.
- Presented project findings and recommendations through detailed reports and presentations.

Real Time Disaster Training Analyser | *HTML, CSS, JavaScript* | 🔗 Link

- Developed a comprehensive web platform for emergency-training coordination, event tracking, GIS mapping, and analytics, enabling effective disaster-response training management.
- Designed and implemented a dashboard displaying key metrics (e.g., Total Trainings: 156, Total Participants: 4,200) and live updates on active alerts and regional activity.
- Built user authentication, role-based access (NDMA Admin / State Admin / Trainer / Participant / Viewer), and account-creation flows for wide usage.
- Created interactive modules: Training Events management (create new events, track status), Attendance tracking, Reports generation, and GIS Map integration for visualizing events.
- Utilised analytics to monitor trends (monthly training increases, participants by state) and alerts requiring attention, improving decision-making and operational insight.

ACHIEVEMENTS

Smart India Hackathon (SIH): Qualified among the top 45 participants.
